We sincerely hope to see you on the 23rd.

Please make this special event a matter of prayer!

Some of you are aware of the extensive waiting period we've endured to have the Horizon House Carport repaired. Well, it's almost completely finished. Long story, but we are thrilled it is almost done and the Horizon House is a model residence of God's Hope, Peace and Potential for men reentering society from incarceration. Our Horizon House Manager, Ron, has done an excellent job maintaining the building, environment and equipment; all the while assisting all men who reside there. We are looking at receiving five more men in the very near future. Our attractive abode of God's peace and love looks like any other home on the west side of Anchorage.

TLC Program Updates:

Hiland Mountain TLC:

Chaplain Eileen has shared the Women's TLC Program at Hiland Mountain is doing amazingly! They have increased in numbers and the ladies are seriously committed to depth and growth in Christ. It has been a great joy to hear and watch Chaplain Eileen's passion working with the ladies of HMCC TLC. Chaplain Eileen shares she has been allowed to have several Chaplains, Teachers and Instructors enter the institution to increase the program at many levels of growth. Except for a few hiccups the HMCC MentorNet has been faithful every Monday evening and God has blessed the several supportive relationships of that ministry. So thankful for the committed ladies of HMCC MentorNet.

Outstanding job Chaplain Eileen!

Chaplain Eileen also oversees the Ladies Hope House on the east side of Anchorage. She keeps the house full of transitioning ladies all the while conducting almost nightly Bible Studies and Counseling. At the same time we are grateful again for supporting Bible teachers who have been faithfully coming to the house to teach, share and counsel.

We are so very blessed by God!

Anchorage Jail TLC:

The Anchorage Correctional Complex (ACC) TLC Program continues to greatly thrive! It has been nothing short of miraculous all that God has and continues to do at the downtown Anchorage Prison/Jail!

Many staff members constantly compliment the amazing change they see, long term, of the men who have truly surrendered their lives to Christ and allowed the Spirit of God to totally transform them.

ACC TLC constantly has a flood of daily Bible Classes, Studies, Devotions, Counseling, and Accountability creating a Biblical Solarium of God's Presence. Several examples of these miraculous change have not only caught the attention and admiration of local staff; but we have had staff from other institutions comment on the before and after of several of these men who have been in the system for lengthy periods of time.

We give God all the Glory and Praise!

What a great joy to be in the center of God's Will and Purpose!

Prayer!!!

Hebrews 4:16

Let us then with confidence draw near to the throne of grace, that we may receive mercy and find grace to help in time of need.

Prayer, prayer, prayer... We are always in need of prayer. I am confident all of you know the importance of prayer. I wonder if I could request those of you who are prayer warriors if you would place ACM, all the chaplains, all the prison ministries on your precious and vital prayer lists please? I know you know....as with any serious ministry, there is serious spiritual warfare. Daily chaplaincy faces a multitude of obstacles and hindrances from all avenues. There's no doubt God's faithful servants are infiltrating the enemies territory. These
